Canadian Avenue Organizes For General Good

Monday night at the court house a
"Canadian Avenue Improvement So-
ciety" was organized. The following
officers were elected: W. B. DePue,
president, Dr. Piquard, vice-pres-
ident, H. C. Lurie, secretary. The
executive committee was composed of
the above named officers and in ad-
dition Chief Buffalo and David Hill.
This will be a good thing for Vinita
and will no doubt encourage others
to go ahead with the good work.

21 Years a Dyspeptic.

R. H. Foster, 318 S. 2d. St., Salt Lake
City, writes: "I have been bothered
with dyspepsia or indigestion for 21
years; tried many doctors without relief,
recently I got a bottle of Herbine. One
bottle cured me, I am now tapering off
on the second. I have recommended it
to my friends; it is curing them, too."

GROUP.

Usually begins with the symptoms of
a common cold; there is chilliness,
sneezing, sore throat, hot skin, quick
pulse, hoarseness and impeded respiration.
Give frequent small doses of Bal-
lard's Horehound Syrup, (the child
will cry for it) and at the first sign of
a croupy cough, apply frequently Bal-
lard's Snow Liniment external to the
throat. 50 cents at People's Drug
Store dw

100 Feeding Steers.

The Lohman Brothers bought 100
head of steers for feeding at the
Market place this winter and may in-
crease the number. The appearances
now are that there will be little de-
mand for corn to ship--that the price
will not warrant it--and that the
price may be 25 or 30 cents.

Doctors Could Not Help Her

"I had kidney trouble for years,"
writes Mrs. Raymond Connor of Shelton
Wash., "and the doctors could not help
me. I tried Foley's Kidney Cure, and
the very first dose gave me relief and I
am now cured. I cannot say too much
for Foley's Kidney Cure." Sold by
Shanahan & Mitchell. dw

Putting Away Coal

There does not stand to be much of
a coal famine here this winter. Most
everybody in town, stimulated by
last year's experience, is putting up a
supply of fuel. There was never so
good a coal market at this season of
the year.

Fearful Odds Against Him.

Hedridden, alone and destitute. Such
in brief was the condition of an old
soldier by name of J. J. Havens, Ver-
sailles, O. For years he was troubled
with kidney disease and neither doctors
nor medicines gave him relief. At length
he tried Electric Bitters. It put him on
his feet in short order and now he testi-
fies, "I am on the road to complete re-
covery." Best on earth for liver and
kidney trouble, and all forms of stom-
ach and bowel complaints. Only 50c.

House on the Rocks.

Once upon a time there was an ambi-
tious man who desired to found a great
and prosperous house, so he worked and
worked, and then worked more, and
after that continued to work.

While he worked and accumulated
wealth to his desire, he saved and in-
vested and reinvested over and over
again, while a large family was grow-
ing up under his roof.

Finally he and his children found
themselves firmly grounded in the Four
Hundred, and had no fear of any social
winds or floods that might beat against
their house.

Moral: A house to stand must be
founded on "rocks."--N. Y. Herald.

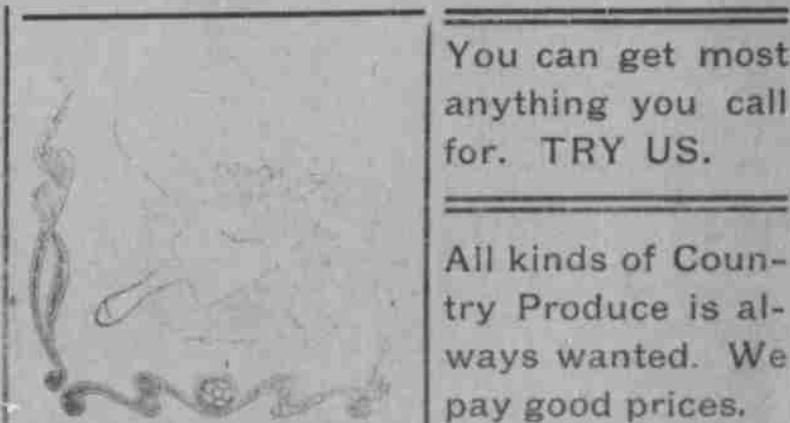

Cured Hemorrhages of the Lungs.
"Several years since my lungs were
so badly affected that I had many hem-
orrhages," writes A. M. Ase of Wood,
Ind. "I took treatment with several
physicians without any benefit. I then
started to take Foley's Honey and Tar
and my lungs are now as sound as a bul-
let. I recommend it in advanced stages
of lung trouble." Sold by Shanahan &
Mitchell. dw
